## LOS ANGELES COUNTY HOUSING RESOURCE CENTER

*A Free Service for Residents and Landlords within Los Angeles County*

**A one-stop  
shop for  
information  
about housing  
and related  
resources in  
Los Angeles  
County**

*Market-rate  
and subsidized  
rental listings*

*Property search for  
voucher holders*

*Info on  
Federal Stimulus  
housing programs*

*First-time  
homebuyer  
programs*

*Senior and special  
needs housing info*

### For Tenants

- Listings of available rental properties with specific information on income-restricted, Section 8, accessible and special-needs housing
- Easy-to-use search tools return housing listings to meet individual needs
- Property listings are up to date and highly detailed with interactive map links: search by rent or bedroom/bath amount; search near work, school and public transportation
- Toll-free call center available to assist with housing searches, providing information by phone, fax, mail or email

### For Property Owners

- 24/7 access to add, manage and update property listings
- Property owners can call a toll-free number for assistance with adding and updating property information
- Listings showcase properties with pictures, map links and information about eligibility requirements, amenities, accessibility features and much more

### For Agencies

- Help clients find need specific housing fast – use interactive income calculators and other helpful relocation tools
- Comprehensive housing listings and easy-to-use rent reasonableness tools
- Free trainings and ongoing support for agency staff
- Los Angeles County Housing Resource Center manages, updates and provides vacancy listings to tenants – countless hours of staff time are saved
